Dear Secretary Magarik:

On August 20, 2019, the Department of Health & Human Services and the Department of the Treasury approved Delaware's State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). Delaware's approved application waives the ACA's requirement for the single risk pool to the extent necessary to implement a state reinsurance program called the Delaware Health Insurance Individual Market Stabilization Reinsurance Program for plan years 2020 through 2024.

It is the Department of the Treasury's final administrative determination that Delaware's pass-through funding amount for calendar year 2022 is \$35,010,817,¹ which must be used for purposes of implementing Delaware's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,

Ellen Montz, Ph.D.
Director, Center for Consumer Information & Insurance Oversight
Deputy Administrator, Centers for Medicare & Medicaid Services

¹ This amount reflects a minor adjustment (less than one percent of the 2022 final total) to account for a user fee deduction error in the 2021 pass-through funding calculation.
