

Introduction to the Choosers Notice

What's the purpose of this notice?

This notice lets people know what their plan's premium will be in the coming year and explains that they'll have to pay a portion of their plan's premium each month out-of-pocket unless they join a new plan by December 7.

The notice is printed on both sides of tan paper. The front page is the notice. On the back of the notice is a list of plans for each region that have premiums at or below the low-income premium subsidy amount.

Who gets this notice?

Medicare will mail this notice to people who qualify for the full premium subsidy and who will be liable for a portion of their plan's premium next year. Medicare won't reassign these people to a new Medicare Prescription Drug Plan because they chose to join their current plan on their own or switched to a different Medicare drug plan from the one Medicare enrolled them in.

When do people get this notice?

The notice will be mailed by early November.

What should people do next?

People should consider their options carefully. If they don't join a new plan by December 7, they'll face a premium liability. People who want more information about Medicare prescription drug coverage can:

- Visit [Medicare.gov](https://www.Medicare.gov) and get personalized drug plan information.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.
- Call their State Health Insurance Assistance Program (SHIP) for free, personalized health insurance counseling. People should visit [Medicare.gov/contacts](https://www.Medicare.gov/contacts), read the "Medicare & You" handbook, or call 1-800-MEDICARE for the phone number for their state.

People can reference CMS Product No. 11267 when calling Medicare or their SHIP with questions about this notice.
