**Medicare and Medicaid Notice to the Public**

Notice is hereby given that on June 5, 2023 the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Golden Pavilion Healthcare, Daly City, California as a skilled nursing facility in the Medicare program. In addition, as authorized by the California State Medicaid Agency, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective June 5, 2023.

CMS has determined that Golden Pavilion Healthcare has failed to attain substantial compliance with the following Medicare and Medicaid participation requirements:

- 42 CFR §483.25(g)(1)-(3) – Nutrition/Hydration Status Maintenance

The Medicare program will not make payment for skilled nursing facility services furnished to residents admitted to the facility on or after June 5, 2023. For residents admitted prior to February 16, 2023, payment may continue for up to 30 days of services on or after June 5, 2023, the date of termination.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after February 16, 2023. For Medicaid residents admitted prior to February 16, 2023, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after June 5, 2023, the date of termination.

This action is mandated by Sections 1819(h)(2)(C) of the Social Security Act and Federal regulations at 42 CFR §488.412 and 488.456. If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to June 5, 2023, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.
