Governor
State of Wisconsin

Dear Governor Evers:

This letter is to notify you that, in part due to the American Rescue Plan (ARP) Act of 2021, Wisconsin will receive a total of \$229,175,388 in pass-through funding to implement its State Innovation Waiver under the Affordable Care Act (ACA) for calendar year 2021.

As you are aware, on July 29, 2018, the Department of Health & Human Services and the Department of the Treasury (the Departments) approved Wisconsin's State Innovation Waiver under Section 1332 of the ACA. Wisconsin's approved application waives the ACA's requirement for the single risk pool to the extent necessary to implement a state reinsurance program called the Wisconsin Healthcare Stability Plan for plan years 2019 through 2023. On April 21, 2021, the Departments notified Wisconsin that they had determined that Wisconsin's pass-through funding amount for calendar year 2021 was \$165,766,826. This determination reflected federal law as of March 10, 2021, prior to the passage of the ARP. Among other changes, the ARP temporarily expanded the ACA's premium tax credit (PTC), increasing the generosity of the PTC for those who were already eligible under the ACA and making PTCs available to individuals with incomes above 400 percent of the federal poverty level for the first time.

The Departments have now completed their analysis of the effects of the ARP on pass-through funding. The Department of the Treasury's final administrative determination for Wisconsin's total pass-through funding for calendar year 2021, after accounting for the ARP, is \$229,175,388. As a result, Wisconsin will receive \$63,408,562 more in pass-through funding than the amount specified in the Departments' April letter.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
