

# Introduction to the Loss of Deemed Low Income Subsidy (Extra Help) Status Notice

## What's the purpose of this notice?

The purpose of this notice is to inform some people with Medicare that they no longer automatically qualify for Extra Help for the following year, and encourage them to apply for Extra Help to see if they'll continue to qualify.

## Who gets this notice?

Some people with Medicare won't automatically qualify for Extra Help next year, because they no longer qualify for Medicaid, no longer belong to a Medicare Savings Program (help from their state Medicaid program to pay Medicare Part B premiums), or no longer get Supplemental Security Income (SSI).

## When do people get this notice?

The notice (on grey paper) and an application for Extra Help are scheduled to be mailed in September.

## What should people do next?

People who have limited income and resources may still qualify for Extra Help, but they must apply to find out. If they apply and qualify, they'll continue to get Extra Help next year. They should apply as soon as possible so there will be no gap in the help they get with their prescription drug costs.

An application for Extra Help is included with the notice. People should fill it out and mail it to Social Security in the enclosed postage-paid envelope. If they have questions about the notice or about Medicare prescription drug coverage, they can:

- Visit [Medicare.gov](https://www.Medicare.gov).
- Read the "Medicare & You" handbook.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048.
- Call their State Health Insurance Assistance Program (SHIP) for free, personalized health insurance counseling. People should visit [Medicare.gov/contacts](https://www.Medicare.gov/contacts), see the "Medicare & You" handbook, or call 1-800-MEDICARE for their phone number.

People can reference CMS Product No. 11198 if they call Medicare or their SHIP with questions.

## Your automatic Extra Help for Part D will end in 2023

You currently get Extra Help paying for Medicare Part D drug coverage. Starting January 1, 2024, your automatic Extra Help will end. This means your costs for Medicare Part D drug coverage may go up.

### **IMPORTANT: Apply now to see if you can still get Extra Help**

You may still be able to get Extra Help in 2024, but you need to apply. How to apply:

- Complete the enclosed application and mail it back in the postage-paid envelope.
- Or, apply online at SSA.gov.
- Or, call Social Security at 1-800-772-1213 to apply by phone. TTY users can call 1-800-325-0778.

**Apply as soon as possible to make sure you get Extra Help in 2024, if you qualify.**

### **Why is my automatic Extra Help ending?**

Your automatic Extra Help is ending for one of these reasons:

- You no longer qualify for Medicaid
- You no longer belong to a Medicare Savings Program
- You no longer get Supplemental Security Income (SSI)

In the coming months your situation may change so that you again qualify for Medicaid, belong to a Medicare Savings Program, or get SSI. If this happens, you'll automatically qualify for Extra Help again. We'll send you another notice on purple paper to let you know.
